

Supermop

The hygienic alternative to cotton mops

Supermop

Supermop offers a superior range of non-woven socket mops for all types of heavy-duty application – giving the best results at the lowest cost. Excellent resistance to wear and chemical action.

Ideal for spot mopping and all small area cleaning - including bars, washrooms etc.

Supermop consists of three elements:

1. Mop head with strips of non-woven material and an oval connector that allows the mop to reach into corners.
2. Bucket with funnel wringer
3. Handle made of durable aluminium or coated steel.

Supermop buckets

- Bucket & wringer: lightweight bucket and wringer are easy to carry and easy to store
- Integrated handle holder
- Different buckets:
oval bucket 10 L / rectangular bucket 15 L
